### **Invitation Letter for Professor Shuhua Yang**

Dear Prof Yang,

It is my great pleasure to invite you to visit the Department of Biological Sciences, National University of Singapore (NUS) from June 28 to July 3, 2024. During your visit, we appreciate that you can deliver a seminar in our Department, discuss with our colleagues regarding plant stress studies, and establish research collaborations with a few relevant labs.

We will be happy to cover the expenses of your accommodations and local transport in Singapore during the visit. All the other expenses, including international airfares, travel and medical insurance, and other fees associated with this visit, will be supported by your own grants. We look forward to your visit and developing our collaboration with your lab.

Sincerely yours,

Prof Yu Hao  
Head  
Department of Biological Sciences  
National University of Singapore
