

The 6th International Meeting on Magnetotactic Bacteria (MTB 2018)

Invitation Letter

June 11, 2018

Dear Dr. Tian Jiasheng,

We would like to invite you to present your paper at **The 6th International Meeting on Magnetotactic Bacteria (MTB 2018)** to be held between September 10-14, 2018 at The Kanazawa Chamber of Commerce & Industry, Kanazawa, Japan. This visit will provide opportunity for you to contribute your experience to the MTB 2018 as a speaker/audience of technical session in the conference. The aim of the MTB meeting is to bring fresh insights and discuss new ideas about magnetotactic microorganisms in all of their aspects. It would be so much fruitful for both of us, and your Japanese friends and colleagues as well as those from all around the world will be delighted at your participation. We are looking forward to seeing you in Japan.

Sincerely,

Yoshihiro Fukumori
Conference chairman, MTB 2018
Vice-president, Kanazawa University
