

Pr. Qingyong Meng,
China Agricultural University
Yuanmingyuan West Road 2#
Beijing, 100193, P.R. China

Sept 7th, 2017

Dear Pr. Qingyong Meng:

On behalf of the Edstrom Industries, Inc. we would like to invite Pr. Qingyong Meng to the United States.

Pr. Qingyong Meng, male, (DOB:1975.07.06), China Agricultural University

Edstrom Industries, Inc. will organize and accompany Pr. Qingyong Meng on a tour covering visiting the Gnotobiotic pig facility and laboratory in Virginia–Maryland Regional College of Veterinary Medicine, visiting the SPF pig facility and laboratory in Wisconsin University, visiting the DPF pig facility and laboratory of Spring Point Project, and visiting the animal facility and laboratory in Utah University.

This visit will provide an opportunity for make better understanding design/procedures of our animal facility, and we also can talk more about our future business cooperation in detail. The tour will be 18th Nov to 3rd Dec of 2017.

The visiting schedule is the following:

18th Nov: Arrive in Washington DC, USA.

19th Nov: Arrive in Blacksburg

20th-21st Nov: Visit the Gnotobiotic pig facility and laboratory in Virginia–Maryland Regional College of Veterinary Medicine in Blacksburg

22nd Nov: Arrive in Madison in Wisconsin

23rd-25th Nov: Visit the SPF pig facility and laboratory in University of Wisconsin–Madison

26th Nov: Arrive in Minneapolis

27th-28th Nov: Visit the DPF pig facility and laboratory of Spring Point Project in Minnesota

29th Nov: Arrive in Salt Lake City

30th Nov-1st Dec: Visit animal facility and laboratory in Utah University in Salt Lake City

2nd Dec: Arrive in Los Angeles for transfer flight

3rd Dec: Arrive in Beijing

These tours are important to Edstrom Industries, Inc. as the overviews are the best way to promote our products. Please call the office at +1 262 534 5181 if you have any question.

Best regards,

吴行宏
