Dear Chang-Fu Tian,

It is our pleasure to announce the 13th European Nitrogen Fixation Conference (ENFC), which will be held 18-21 August 2018 in Stockholm, Sweden at the München Bryggeriet.

We would be pleased if Chang-Fu TIAN (born 11-11-1980) from the College of Biological Sciences, China Agricultural University would accept our invitation to participate in the conference.

The title of the participant's submitted abstract is:
"Adaptive evolution of *Sinorhizobium* compatibility with soy beans" which belongs to the session on Evolution of Nitrogen Fixation.

From 17-22 August 2018 the participant, will attend too:

- The 13th European Nitrogen Fixation Conference (August 18-21)
- Satellite Workshop: Methods in microbiome studies (August 17)
- Satellite Workshop: Prokaryotic genomes (August 18)
- Satellite Workshop: Signal transduction pathways in nitrogen-fixing symbioses (August 22)

The organization committee of ENFC and satellite workshops will not cover all expenses including registration, transport, accommodation and living expenses.

The conference will be held at:

München Bryggeriet
Torkel Knutssonsgatan 2
SE-118 25 Stockholm

We look forward to seeing you in Stockholm.

Yours sincerely,

ENFC Local Organizing Chair

Katharina Pawlowski
