Dr. Ying Fu  
Professor  
College of Biological Sciences  
China Agricultural University

Dear Dr. Ying Fu:

I am writing to invite you visit the Nara Institute of Science and Technology for a short period from June 4<sup>th</sup> to June 15<sup>th</sup>, 2023. I'm so glad that we have made great progress in our collaborated-project, and I think it is time to discuss in detail about the new findings of our research and future collaboration. Due to current limited budget at this moment, I would advise you that this invitation does not include any financial support, and you'll have to cover all your travel and accommodation expenses. If you have further concern, please no hesitate to contact me.

Sincerely yours
