

25 March 2026

Dr. Han Jianyong
Professor
Department of Biochemistry & Molecular Biology
College of Biological Sciences
China Agricultural University
Beijing, China

Dear Professor Han,

Visit to the Department of Biological Sciences, National University of Singapore

We are pleased to invite you and your team of undergraduate students from China Agricultural University to visit the Department of Biological Sciences, National University of Singapore during the period of 19th – 25th July 2026.

The purpose of the visit is to facilitate the academic and cultural exchange between students, and to promote future cooperation between our two universities in education and scientific research.

We look forward to meeting you in July.

Yours sincerely,

Professor YU Hao
Head of Department

Dr. Han Jianyong
Professor
Department of Biochemistry & Molecular Biology
College of Biological Sciences
China Agricultural University
Beijing, China

Dear Professor Han,

It is with great pleasure that I invite you, along with your faculty colleagues and undergraduate students, for a half-day visit to the A*STAR Institute of Molecular and Cell Biology (A*STAR IMCB), during the period of 19th – 25th July 2026.

We would be delighted to host your team for informal research exchanges and discussions with several of our research groups. This visit will provide a platform for your students and faculty to share your research experiences and explore areas of mutual interest with our investigators. We are especially eager to foster potential collaborations in fields that involve large animal studies, where your expertise would be particularly impactful.

Please let us know your preferred date within the period, and we will be happy to coordinate the visit accordingly. We look forward to welcoming you and your team to IMCB and hope this marks the beginning of a fruitful collaboration.

Yours sincerely,

A/Prof Su Xinyi
Executive Director, A*STAR IMCB

Dear Professor Han,

We are pleased to invite you and your students to visit my group and department at National Cancer Centre Singapore and Duke-NUS Medical School during the period of 19th –25th July, 2026. During this visiting, we'll sincerely invite you and your students to communicate your research experience with our faculties and research staffs, and discuss potential collaboration projects.

We are certain that your visit will significantly improve our research collaborations.

We are looking forward to seeing you at National Cancer Centre Singapore and Duke-NUS Medical School.

Yours faithfully,

Hu Jiancheng, Ph.D.
Principal Investigator/Associate Professor,
National Cancer Center Singapore &
Duke-NUS Medical School
